

HEALTH AND SAFETY

VISION

Port Blakely NZ Ltd will be relentless in keeping our people safe and will strive to continually improve our Health and Safety performance.

HEALTH AND SAFETY

PLEDGE

I will work safely and take responsibility for my actions

I will challenge complacency and ensure that don't take shortcuts in my work

I will obtain permission to enter work areas, and follow all signage instructions

I will speak up on all Health and Safety matters

I will keep my workmates safe

I will always drive to the conditions

I will fully commit to operating a no-blame culture

I will communicate with others when my work may impact on them

I will always wear the correct PPE for task
