

## Additional Forest Learning Resources

Whether you're an educator looking to enrich your curriculum or a student eager to explore the natural world, the following resources offer opportunities to deepen your understanding of forests, ecosystems, and the role of sustainable forestry.

Explore interactive lessons, educational games, science-based activities, and curriculum-aligned tools designed to inspire curiosity and environmental stewardship.

### EDUCATOR RESOURCES

#### Curriculum & Classroom Materials

- **Pacific Education Institute (PEI)**  
[www.pacifieducationinstitute.org](http://www.pacifieducationinstitute.org)
- **Project Learning Tree (PLT)** – Environmental education curriculum  
[www.plt.org](http://www.plt.org)
- **Engaging Every Student (EES)** – Curriculum-aligned activities, including:
  - Watersheds to Whales (NOAA) – [Explore the curriculum](#)
  - [Northwest Fur Trade: Cultures, Commerce and Trade](#)

#### Forestry and Natural Resources Education

- **Oregon Forest Resources Institute**  
[General Resources](#) | [Educator Portal](#)
- **Washington Forest Protection Association (WFPA)** – Kid-friendly forestry education  
[WFPA Learn About Forestry](#)
- **Associated Oregon Loggers (AOL)** – Forestry facts and materials  
[Forestry Facts](#)

## Climate & Carbon Resources

- **Forest Carbon Sequestration and Storage** – Interactive data visualization tool  
[NAFO Forest Carbon Data](#)

## STUDENT RESOURCES

### Interactive Tools & Games

- **Matty the Water Molecule** – Free educational video game and resources  
[Matty Game & Resources \(EES\)](#)
- **iNaturalist & Seek App** – Identify trees and plants in your neighborhood  
[iNaturalist](#)

### Fun At-Home Science Activities

- **Grow a Bean in a Jar** – Learn about seed germination  
[Watch on YouTube](#)
- **Make Paper at Home** – Easy DIY recycling project  
[Watch on YouTube](#)

### Forestry Activities from Project Learning Tree

- **Tree Factory** – Learn how trees function like factories  
[Activity 63](#)
- **We All Need Trees** – Explore how we use trees in everyday life  
[Activity 13](#)
- **Web of Life** – Discover the connections between living things  
[Activity 45](#)
- **Have Seeds, Will Travel** – Investigate how seeds move  
[Activity 43](#)
